Al Rostamani Communications LLC (ARC) showcases its entire ICT solution portfolio at WETEX 2019

Al Rostamani Communications LLC is exhibiting at Stand No- D12, one of the biggest at WETEX 2019

21st October, 2019- Dubai, United Arab Emirates: Al Rostamani Communications LLC (ARC), a leading ICT solutions provider and systems integrator is showcasing its entire ICT solution portfolio at the 21st Water, Energy, Technology, and Environment Exhibition (WETEX 2019), an on-going event at the Dubai International Convention and Exhibition Centre (DICEC).

This year, Al Rostamani Communications LLC is participating at the region's largest Sustainability & Renewable Technology Exhibition. In line with the theme of WETEX, Al Rostamani Communications LLC will be focusing on their Digital Transformation Solutions which includes Industrial IoT, energy

management & monitoring, waste management, environment management, Smart lighting pole, Smart Irrigation and smart office/smart city solutions.

Al Rostamani Communications closely works with Dubai Electricity and Water Authority (DEWA) and it is a DEWA approved system integrator for ICT solutions such as Smart Surveillance Systems, IP-Telephony, Digital Access Control & Infrastructure Installation Services. At WETEX, ARC plans to showcase its digital transformation solutions by new ways of thinking, collaborating for success, and discovering the greatest market potential.

The three-day exhibition aims to achieve integration between all sectors of the energy industry and bring together trade and technical sectors whilst facilitating the creation of new trade opportunities, enhancing an exchange of ideas and experiences and showcasing the latest innovations.

About Al Rostamani Communications (ARC)
